

PTO Sponsors Special Day for Students

On April 28th, 2014 the PTO offered some entertainment and Rita's to help the students brush off the winter blues and get ready for the last push through the 4th marking period. Trinadelphia - a steel drum musician and keyboard accompaniment played for the students during all lunches, Rita's water ice was served with a decorative umbrella included and colorful leis were given to each student. As you would expect such an event required several parent volunteers to pull it off. Many thanks to all the parents that answered the Sign-Up Genius request for help and made this fun day possible for all our students! (To be included in our Sign-Up Genius list please email w.c.east.pto@gmail.com).

PTO Mini Grant Program a Huge Success!

Ever wonder where your money goes? Thanks to your dues, Make a Difference Dollars, and Mini Grant Community Giving donations, you have helped East teachers purchase kick boxing bags and yoga mats; anamorphic mirrors, milligram balances, and physics lab pro interfaces; TI presenters and a ShopBot CNC router. You helped the DECA and Academic Team students prepare for competitions with valuable resources, you sent the Life Skills PE students to a county wide talent show, and you made it possible for a guidance counselor to attend a national conference where she will be able to meet with influential college admissions counselors throughout the country. You made a difference in East High School and the education our students receive, and we are very grateful for all of your contributions!
