

Attention students currently enrolled in an AP level course!

The College Board has introduced a new timeline for registration and payment for AP exams. AP exams are your opportunity to show what you know and what you can do. Taken each May by students all over the world, the AP Exam is the final step you take after a year of hard work in an AP class. These standardized exams could potentially be counted as a college credit at some universities.

In order to participate in AP exams this May, you must register on-line.

The AP Exam registration window is October 14th 2019 until November 7th, 2019, and must be completed via PayForIt.net

The AP Exam fee is \$98.00 per exam.

The AP Capstone Exam is \$147.00 per exam

NO LATE REGISTRATIONS

You will receive an *AP Bulletin for Students and Parents*, which highlights important AP Exam information, from your AP course teacher prior to or during the registration period.

You can also access this bulletin on-line at:
